Arizona State Urological Institute

The Center for Comprehensive Urological Care

Dear Patient:

You have been scheduled for **Urodynamics**

Physicians:

Pratik M Patel, MD

Anoop K Sharma, MD

S.V. Cherukuri, MD

Matthew E Karlovsky, MD

Lauren N Byrne, MD

James Siefer, DO

Preparation: Come with a Full Bladder. *Unless you have a catheter in place. If you are on your menstrual cycle you **Must** reschedule.

If you have diarrhea or any loose bowels, please call the office before coming for the procedure.

Antibiotics **MUST** be taken to prevent any infections. You will be given a prescription for three days.

*Cipro 250mg:

---Take one pill in the morning and one pill in the evening the **day BEFORE** the procedure;

---Take one pill in the morning and one pill in the evening the **day OF** the procedure;

---Take one pill in the morning and one pill in the evening the **day AFTER** the procedure.

This test takes less than 1 (one) hour. The Technician will do the study for you without the Doctor. **Note:** You will not see the doctor during this appointment time. Once the study is complete you will be given a follow up appointment to go over the results with your doctor. Most patients tolerate this procedure well with little, if any, discomfort. Some patients may have little bleeding in the urine and possibly some burning with urination that can last up to 3 days.

Please call our office as soon as possible if you need to reschedule this appointment. Cancellations are requested at least 24 to 48 hours in advance so we may have time to offer the time to another patient who is waiting to be seen sooner.

If you have any questions about the procedure, please call (480) 394-0200 and ask to speak with the Medical Assistant.

Thank You,

ASUI
